

Image Styling Class for Dating

約會形象技巧

Community College of City University

About the Course

When we have more women than men, have you thought about how to increase your chances of successfully landing a date? For ladies, how would you make a good first impression when you meet a potential Mr. Right? Through projecting an appropriate image and understanding the perspectives of both sexes, the course will help you with some tips on smoothing over dating problems. The course will help you understand the differences in the thinking of men and women, learning color science, how to dress, the meaning of body language, enhance your popularity in social relationship and, most importantly, land the date that might just lead to love!
